

Exhibitor Information

Company Name	JUSTEK			
Address	630-46, Nambu-daero, Jinwi-myeon, Pyeongtaek-si, Gyeonggi-do 17711, Republic of Korea			
President	Daniel Dongsoo Choi, Ph.D			
Website	https://www.justek.com/			
E-mail	dschoi@justek.com (Daniel Dongsoo Choi, Ph.D) / skko@justek.com (Manager, Sung Kuen. Ko)			
Telephone	Tel. 031-647-5500 / Fax. 031-647-5555			
Contents of Exhibitor	1. LMS Up/Down Reversal Circulation Loop Demo 2. DD Motor Demo			
Introduction				
1. 1. LMS Up/Down Reversal Circular Loop Demo 1) A demo machine that implements circular logistics by combining LMS's straight transport and a vertical inversion transfer axis with a DD motor. 2) Applicable to various circular logistics and semiconductor and battery processes 2. 2. DD Motor Demo 1) A demo unit that demonstrates the operation of 5 representative models of rotary DD motors among the company's various diverters. 2) Depending on the model, it can meet various customer requirements (high precision, high output). 3. Demo photos and brief information				
1. LMS Inversion Demo		2. DD Motor		
1) Size: 2500*640*1600		1) Size: 800*800*1600		
2) Weight/Power: 2 tons/3 phase 220V		2) Weight/Power: 1 ton/Single-phase outlet 220V		
3) Brief description: Circulation system with 2 straight axes + 2 transfer axes (up and down inversion)		3) Brief description: Demonstrates operation of 5 types of DD motors according to the logic		
4) Photo		4) Photo
